

## Father's Day Card Reminder

A sincere thank-you to all who are engaging the young people of your families and acquaintances to use their creativity to craft cards that will bring joy to the migrant workers who will be deprived the pleasure of celebrating Father's Day with their own children on June 20<sup>th</sup>.

In case you missed the original appeal, here are some suggestions for greetings. Please feel free to use your own ideas. Below is a sample from a 6-year-old artist.

- **Happy Father's Day / Feliz Día del Padre**
- **Thank you for coming to Canada / Gracias por venir a Canadá**
- **Thank you for our good food and flowers / Gracias por nuestra buena comida y nuestros flores.**
- **Thank you for the work you do / Gracias por el trabajo que haces**

Completed cards may be dropped off **by 18<sup>th</sup> June** as follows:

1. In lidded containers placed outside Kilbride and Carlisle Churches.
2. In Sharon's mailbox at the end of her driveway at 6465 Milborough Line.
3. In the basket in Catherine's porch at 2 Parkshore Place, (under the weight).

Since there is no in-class learning, we are hoping that the placement of collection boxes at both churches will allow parents or teachers to collect and drop-off their children's creations without too much difficulty.

We hope the youth of our community will have fun with this project and be reminded that they are helping to bring God's love to our migrant heroes, many of whom may be spending a lonely Fathers' Day labouring in fields and greenhouses.
